EXPERIENCE

Primary school teacher

For around a year, I provide evening classes to students in classes 2 and 3 while I'm at school.

I enjoy working with kids and teach Sunday school at my Douala church.

Additionally, I was able to mentor children for four months at the Shiloh Kids Mentorship Academy run by the ORIFF (Orinji Family Foundation).

I have applied to be a Sunday school teacher at my church in Buea, even though I currently sing in the choir.

I tutor students online at preply.com.
